

# GRAND BAY SAVANNA

Grand Bay Savanna consists of 4 acquisitions (Nos. 4, 24, 38 and 56), 3 of which were acquired with the financial support of the U.S. Fish and Wildlife Service's National Coastal Wetlands grant program. Covering 5,151 acres of coastal marsh, maritime forest and flatwoods along the Gulf of Mexico in Mobile County, the tracts are being managed as a Nature Preserve.

Recreational opportunities on the tract include hunting and wildlife observation.

In 2010, the tracts were designated as a Community Hunting Area (CHA).

## Directions:

From Mobile, take I-10 West to exit 15A and merge onto US 90 West. Turn left onto Mobile County Road 19. Stay straight onto AL-188. Turn right onto Marine Laboratory Road/University Road. Stay straight to park in the Marine Laboratory Road parking lot or turn left onto Cutoff Road and then right onto Little River Road to park in the Little River Road parking lot.

To reach the Henderson Camp Road parking lot, take 1-10 West from Mobile to exit 4. Take AL-188 East through Grand Bay. Turn right onto Henderson Camp Road.
